SERVICE AGREEMENT

THIS AGREEMENT is between L4 Security Group– powered by VICTIG (“VICTIG”) and **Woodford County KY EMS** (“Client”). This Agreement is entered into on **April 21st, 2026**.

1. Services to be Provided by L4/VICTIG

A. Upon request and relying upon Client’s representations that it has a legitimate purpose for information, L4/VICTIG will provide background checks, verifications and other consumer reports to the Client when available. L4/VICTIG will only furnish a report for a permissible purpose under the Fair Credit Reporting Act, 15 U.S.C. §1681 et seq. (“FCRA”) and no other purpose.

B. Periodically and upon request, L4/VICTIG will provide to Client copies of certifications, consumer consents, notices, and a summary of rights under the FCRA as well as other forms which L4/VICTIG finds helpful in meeting its obligations under the FCRA and other applicable laws. Client acknowledges receipt of the Federal Trade Commission Notice of Consumer’s Rights and Notice to Users.

2. Representations of Client when ordering reports

A. Client represents that it is an existing business with the legitimate need for verification and reports offered by L4/VICTIG. The nature of Client’s business is: **KBEMS – EMS backgrounds**. Client specifically represents that reports will only be obtained for its own one time use and it is the end user of the reports. It will not further distribute, sell, give or trade such information with any third party. Notwithstanding the above, Client may share a report, except credit, for joint use as described in Section 2B below. Client will request and use reports for the following permissible purposes listed below.

B. Client may share reports with another entity for joint use. The FCRA permits end users of consumer reports to share the consumer report with another entity if Client and the other entity will use the report for the same transaction and for the same purpose. Examples include: a staffing company sharing a report with its customer with whom the consumer will be placed; a subcontractor sharing reports of its employees with the general contractor or owners of the project on which subcontractor is working. These examples are not exclusive, but demonstrate the acceptable “joint use” that is permitted. However, prior to sharing a consumer report, Client on behalf of L4/VICTIG will determine and verify the identity of the joint user and that such joint user shares the same permissible purpose for use of the consumer report as does Client and the joint user will only use the consumer report for this one transaction with Client. This Agreement is a certification by Client that any joint user is a legitimate business and will use the report for the same permissible purpose Client represents to L4/VICTIG when ordering the consumer report(s) on the individual consumer or as provided in Section 2 of this Agreement. Client agrees to indemnify and hold L4/VICTIG harmless from any claims, liability, or losses

asserting that the joint use was improper in any way, violated the FCRA or otherwise, and additionally, if the joint user used the consumer reports for any reason than as represented by Client to L4/VICTIG. Such indemnification includes all costs, expenses and reasonable attorney fees incurred by L4/VICTIG.

C. Client represents that prior to requesting a report for **employment purposes (including contractors and volunteers)**, it will:

(i) disclose to the individual who is the subject of the report that a consumer report or, as applicable, an investigative consumer report, may be obtained;

(ii) obtain the written consent of the individual allowing the obtaining of the consumer report. Client agrees that submission of an order is a certification that it has obtained the consent of the consumer;

(iii) provide to the individual a summary of the individual's rights required under the ("FCRA") and any applicable state law; and

(iv) not utilize any information in violation of any federal or state equal employment opportunity law or regulation.

(v) not order criminal record information prior to the time permitted by applicable law, ordinance or regulation commonly referred to as "ban-the-box" restrictions.

(vi) provide a reasonable amount of time prior to taking adverse employment action against the individual who is the subject of the report, when such action will be based in whole or in part upon the information contained in the report furnished by VICTIG, the Client will, except as otherwise provided by law, advise the subject of the intent to take adverse action and provide a copy of the report to the individual and a description, in writing, of the individual's rights under the FCRA.

(vii) provide after taking adverse action based in whole or in part upon information contained in a report furnished by L4/VICTIG, the Client shall:

(a) provide notice of such action to the individual;

(b) provide the name, address and telephone number of L4/VICTIG;
and

(c) inform the individual that he/she is entitled to a free copy of the report and a right to dispute the record through L4/VICTIG and that L4/VICTIG is unable to provide the individual the specific reasons why the adverse action was taken by you.

(viii) that it will comply with the FCRA and similar state laws, in regard to all reports, it will follow the requirements of the ("DPPA") and the various state laws implementing the DPPA in regard to motor vehicle reports.

D. Client represents that prior to requesting a report **for residential screening purposes**, it will:

(i) disclose to the individual who is the subject of the report that a consumer report or, as applicable, an investigative consumer report, may be obtained;

(ii) provide to the individual a summary of the individual's rights under the ("FCRA"); and

(iii) not utilize any information in violation of any federal, state or local equal housing law or regulation.

(iv) provide after taking adverse action e.g., rejecting, increasing rental rates, increasing deposit requirements, etc. against the subject of the report, based in whole or in part upon information contained in a report furnished by VICTIG, the Client shall:

(a) provide notice of such action to the individual;

(b) provide the name, address and telephone number of L4/VICTIG;

(c) inform the individual that he/she is entitled to a free copy of the report and a right to dispute the record through L4/VICTIG and that L4/VICTIG is unable to provide the individual the specific reasons why the adverse action was taken by you; and

(d) providing a copy of the individual's rights under the FCRA.

E. Client represents that, if it orders credit reports, it will have a policy and procedures in place to investigate any discrepancy in a consumer's address when notified by the credit bureau that the consumer's address, as submitted by the client, substantially varies from the address the credit bureau has on file for that consumer. Further, if client hires the consumer and in the ordinary course of its business it furnishes information to the credit bureau from which the report came, that it will advise the credit bureau of the address it has verified as accurate if that address is different from the one provided by the credit bureau.

3. Compliance with Applicable Law

A. The laws relating to the furnishing and use of information are subject to change. It is the responsibility of Client to become knowledgeable in such laws and to comply with them. The failure to comply with the then current applicable law may result in a breach of this agreement, termination of service, civil and criminal liability. L4/VICTIG does not undertake any obligation to advise Client of its legal obligations.

B. L4/VICTIG does not act as legal counsel for Client. Client is responsible for retaining counsel to advise it regarding proper use of consumer reports; compliance with the FCRA, the Driver Privacy Protection Act, 18 U.S.C. §2721 et seq (“DPPA”) and other applicable federal, state and local laws; and development of an appropriate screening program for Client’s use of consumer reports.

C. Client agrees to promptly execute and return to L4/VICTIG all documentation required, now or in the future, by any government agency or L4/VICTIG to permit release of information or to ensure compliance with applicable laws or regulations. Such documentation shall become part of this agreement. The failure to return such documentation will result in Client being blocked from receiving the information related to the documentation, and, in some circumstances, all service may be terminated without additional notice.

D. Client consents to any reasonable request by L4/VICTIG to audit records of the Client in person or by requesting copies of documents and to communicate with employees of the Client, with notice to Client, to determine the appropriateness of any present or past request(s) for information by Client. A failure to cooperate with an audit may result in the immediate termination or suspension of service.

4. Fees for Services

A. L4/VICTIG will charge a fee for each request made by Client, in accordance with L4/VICTIG’s current fees schedule. L4/VICTIG reserves the right to change the fees charged upon thirty (30) days notice to Client. Applicable sales or other taxes will be added to all fees. Client understands that L4/VICTIG may incur access charges imposed by courts and other governmental agencies which are passed along to Client in addition to fees. These costs are subject to change without notice.

B. Payment on all invoices will be due thirty (30) days after billing. For any invoice not paid within thirty (30) days, L4/VICTIG will add and collect a SERVICE CHARGE of one and a half percent (1½%) per month (or the maximum permitted by applicable law, if lower) with a minimum service charge of \$2. Client agrees to pay L4/VICTIG’s reasonable attorney’s fees and costs incurred in enforcing the terms of this Agreement and in the collection of amounts due under this Agreement.

5. Confidentiality of Information

A. Information provided by L4/VICTIG to its Clients is considered confidential by law. Upon its receipt, Client shall treat the information as confidential. Such information shall be maintained in confidential files to which access is restricted. Only those employees who need such information to perform their job duties shall have access to the same. Client shall ensure that such employees shall not attempt to obtain any consumer reports on themselves, family, friends or associates except in the exercise of their official duties. Client shall supply to L4/VICTIG the name and phone number of the contact person or persons with whom L4/VICTIG may discuss the contents of reports furnished to Client. At the time that Client disposes of any report received it shall cause such to be destroyed by cross shredding, burning or electronic destruction as required by regulations issued by the Federal Trade Commission. 16 CFR §682.1 et seq.

B. Client acknowledges that it will receive personal identifying information on the subjects of the reports it receives. Client shall maintain reasonable procedures to protect the information from unauthorized internal or external access. Within 30 days of the execution of this Agreement, Client will outline its protections in regard to the receipt, usage and storage of this information. Client shall, upon request, advise us of the status of Client's security measures. If Client experiences a breach of security regarding this information or discontinues any security measure, Client shall notify us within 24 business hours of the breach or discontinuance. Within seven (7) business days of such an event, Client shall advise us what steps have been taken to protect the information from the reoccurrence of the breach or to restore protection of the information.

6. Waiver and Release

A. Client acknowledges that L4/VICTIG relies totally on the information furnished by others. L4/VICTIG also relies on the information contained in the records of various governmental agencies for other reports. L4/VICTIG is not responsible for inaccurate or false information received from others and sent to Client. Client agrees to assert no claim and waives liability against L4/VICTIG for any inaccurate or false information included in any report unless L4/VICTIG had actual knowledge of the error and failed to correct it if it had the legal ability to alter such information.

B. Client agrees to hold L4/VICTIG harmless and will indemnify L4/VICTIG from all claims and losses resulting from Client's breach of this Agreement or violation of any applicable law. L4/VICTIG agrees to hold Client harmless for all claims and losses arising from L4/VICTIG's violation of any applicable law. Such indemnifications include all costs and reasonable attorney fees incurred by the indemnified party.

C. If the party seeking indemnification proposes to settle any claim it believes is subject to indemnification, it must notify the indemnifying party of such settlement and the indemnifying party must approve such settlement. Such approval shall not be unreasonably withheld. The indemnifying party can also disapprove of such settlement on the basis that the claim is not within those claims or losses covered by the indemnification. If the indemnifying

party accepts the request to indemnify but disagrees with the settlement amount, the indemnifying party shall take over the defense of the claim.

7. Misuse of Information

The FCRA prohibits the obtaining of information from a consumer reporting agency for an impermissible purpose. Further, those involved in such improper requesting may be subject to criminal penalties of imprisonment up to two years and/or a fine of \$5,000 for each offense. 15 U.S.C. § 1681q. However, such punishments are subject to change as the FCRA is amended. Further, the DPPA prohibits obtaining information under false pretenses and restricts the resale or redisclosure of personal information contained in state motor vehicle records. A violation of the DPPA may also result in criminal penalties. 18 U.S.C. § 2733(a). If a Client or one of its employees misrepresents to L4/VICTIG the reason for a report or requests a report for an impermissible purpose, L4/VICTIG may terminate service without notice in addition to other remedies available to L4/VICTIG. Client understands that its misuse of or improper request for information may have a direct impact upon L4/VICTIG and may cause it to be unable to obtain information for any of its clients, resulting in substantial damages for which Client would be liable.

8. Non-Disclosure

Neither party shall, during the term of this Agreement, and any extension thereof and for a reasonable time thereafter, disclose to another or use, unless authorized by the disclosing party, any of the disclosing party's "Confidential Information". The purpose of this section, "Confidential Information" shall mean all the party's prospect list, client information, any customer records/information, employee list, financial data, business plans, business strategies, proprietary software and any other information of a party disclosed by one party to the other. NON-SUPPLANTING CERTIFICATION**

It is necessary to provide assurance that sub-grant funds will not be used to replace (supplant) funds that would normally be available or appropriated for the same purpose. The certificate is to be signed by the County Judge/Executive and the County Emergency Manager.

This certification is a required component of the EMA Special Project application process and affirms that federal funds will be used to supplement existing funds, and will not replace (supplant) funds that have been appropriated for the same purpose. Potential supplanting will be addressed in the application review as well as in the pre-award review, post-award monitoring, and the annual site visit.

Supplanting general definition: The act of a unit of government that reduces funds for an activity specifically because federal funds are available (or expected to be available) to fund that same activity. Supplanting is not permitted. Federal funds must be used to supplement existing State or local funds for program activities and may not replace funds that have been budgeted, appropriated, or allocated for the same purpose.

I certify I have read, understand, and agree to ensure that federal funds awarded under the Emergency Management Assistance Grant Program will not be used to supplant (replace) funds or other resources that would otherwise have been made available or previously budgeted for the county's emergency management program.

Subject: Award Notification – Emergency Management Performance Grant 2025

Dear Director Chandler,

On behalf of the Kentucky Division of Emergency Management (KYEM), we are pleased to inform you that Woodford County has been awarded \$17,680.48 under the Federal Fiscal Year (FFY) 2025 Emergency Management Performance Grant (EMPG) program. This grant is part of KYEM's commitment to ensure Kentucky communities are prepared, resilient, and capable of responding to and recovering from emergencies. The EMPG 25 allocation formula contains a \$10,000 baseline, plus an allocation based on each county's percentage of the state population. Please review the grant agreement documents carefully, as they define the specific requirements for the use of these funds, compliance responsibilities, and performance metrics established by both FEMA and KYEM. Eligible expenses will be those incurred from October 1, 2025, through September 30, 2026. All claims must be submitted by October 15, 2026.

In addition to the EMPG 25 Grant Award, Woodford County is awarded \$9,737.61 from the 2023 EMA funds which is the amount of EMPG additional funding that Woodford County has historically received. This is the final year for the additional funding. All future awards to Woodford County will receive the allocated formula amount.

KYEM remains committed to providing support and resources to help your agency to meet critical operational needs. KYEM is available to assist with technical guidance, grant management, and program requirements to ensure that our shared objectives are met.
