SPECIAL FISCAL COURT MEETING: Woodford County Courthouse,
Tuesday, June 9, 2026, at 4:30 p.m.

PRESIDING: James Kay, Woodford County Judge/Executive

PRESENT: Magistrates Liles Taylor via Zoom, John Gentry, Darrell Varner, Kelly Carl, William Downey, Larry Blackford, Mary Ann Gill, and Jackie Brown

The Fiscal Court held a Special Meeting for the purpose of meeting as a Committee of the Whole for the purpose of discussing the property acquisition of 105 Industry Dr. Versailles, KY, and the Paid Parent Leave Clarification Order No. 2026-01.

Property Acquisition – 105 Industry Dr. Versailles, KY - Lucas Witt reported that bond closing is scheduled for June 24, with the real estate transaction expected to close by the end of June. The EDA approved vendors to maintain the facility, and funds have been set aside for ongoing maintenance and utilities. Lease-back terms with Yokohama were finalized, allowing the company to lease 40,000 square feet for up to two years, providing a credit toward the purchase price. Witt noted strong interest in the facility from both investors and prospective end-users, with several companies exploring opportunities in Woodford County. Discussion emphasized the Fiscal Court’s goal of attracting long-term employers that provide quality jobs and strengthen the county’s occupational tax base. Closing documents will be presented to the Fiscal Court for approval prior to the transaction being finalized.

1. A motion was made by John Gentry and seconded by William Downey to approve the Judge/Executive and County Attorney to do all of the necessary legal reviews for the closing documents for the Yokohama plan as presented.

XXXVIII John S. McCain National Defense Authorization Act Fiscal Year 2019 Recipients, subrecipients, and their contractors and subcontractors are subject to the prohibitions described in section 889 of the John S. McCain National Defense Authorization Act for Fiscal Year 2019, Pub. L. No. 115-232 (2018) and 2 C.F.R. §§ 200.216, 200.327, 200.471, and Appendix II to 2 C.F.R. Part 200. Beginning August 13, 2020, the statute – as it applies to DHS recipients, subrecipients, and their contractors and subcontractors – prohibits obligating or expending federal award funds on certain telecommunications and video surveillance products and contracting with certain entities for national security reasons.

XXXIX Required Use of American Iron, Steel, Manufactured Products, and Construction Materials

Recipients must comply with the “Build America, Buy America” provisions of the Infrastructure Investment and Jobs Act and E.O. 14005. Recipients of an award of Federal financial assistance from a program for infrastructure are hereby notified that none of the funds provided under this award may be used for a project for infrastructure unless:

(1) all iron and steel used in the project are produced in the United States--this means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States;

(2) all manufactured products used in the project are produced in the United States—this means the manufactured product was manufactured in the United States; and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation; and

(3) all construction materials are manufactured in the United States—this means that all manufacturing processes for the construction material occurred in the United States.

The Buy America preference only applies to articles, materials, and supplies that are consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, that are used at or within the finished infrastructure project, but are not an integral part of the structure or permanently affixed to the infrastructure project. *Waivers* When necessary, recipients may apply for, and the agency may grant, a waiver from these requirements. Information on the process for requesting a waiver from these requirements is on the website below.

(a) When the Federal agency has made a determination that one of the following exceptions applies, the awarding official may waive the application of the domestic content procurement preference in any case in which the agency determines that:

(1) applying the domestic content procurement preference would be inconsistent with the public interest;

(2) the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality; or

(3) the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent.

A request to waive the application of the domestic content procurement preference must be in writing. The agency will provide instructions on the format, contents, and supporting materials required for any waiver request. Waiver requests are subject to public comment periods of no less than 15 days and must be reviewed by the Made in America Office.

There may be instances where an award qualifies, in whole or in part, for an existing waiver described at "[Buy America](#)" Preference in FEMA Financial Assistance Programs for Infrastructure | [FEMA.gov](#).

MOA/PSC Exception Standard Terms and Conditions

Revised February 2026

Whereas, the first party, the state agency, has concluded that either state personnel are not available to perform said function, or it would not be feasible to utilize state personnel to perform said function; and

Whereas, the second party, the Contractor and/or subrecipient, is available and qualified to perform such function; and

Whereas, for the abovementioned reasons, the state agency desires to avail itself of the services of the second party;

NOW THEREFORE, the following terms and conditions are applicable to this contract:

1.00 Effective Date

This contract is not effective until the Secretary of the Finance and Administration Cabinet or his authorized designee has approved the contract and until the contract has been submitted to the Legislative Research Commission, Government Contract Review Committee ("LRC"). However, in accordance with KRS 45A.700, contracts in aggregate amounts of \$10,000 or less are exempt from review by the committee and need only be filed with the committee within 30 days of their effective date for informational purposes.

KRS 45A.695(7) provides that payments on personal service contracts and memoranda of agreement shall not be authorized for services rendered after government contract review committee disapproval, unless the decision of the committee is overridden by the Secretary of the Finance and Administration Cabinet or agency head if the agency has been granted delegation authority by the Secretary.

The Commonwealth will make payment within thirty (30) working days of receipt of contractor and/or subrecipient's invoice or of acceptance of goods and/or services in accordance with KRS 45.453 and KRS 45.454.

Payments are predicated upon successful completion and acceptance of the described work, services, supplies, or commodities, and delivery of the required documentation. Invoices for payment shall be submitted to the agency contact person or its representative.

2.00 LRC Policies

This section does not apply to governmental or quasi-governmental entities.

Pursuant to KRS 45A.725, LRC has established policies which govern rates payable for certain professional services. These are located on the LRC webpage (<https://apps.legislature.ky.gov/moreinfo/Contracts/homepage.html>) and would impact any contract established under KRS 45A.690 et seq., where applicable.

3.00 Choice of Law and Forum

This section does not apply to governmental or quasi-governmental entities.

This contract shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky. Any action brought against the Commonwealth on the contract,

including but not limited to actions either for breach of contract or for enforcement of the contract, shall be brought in Franklin Circuit Court, Franklin County, Kentucky in accordance with KRS 45A.245.

4.00 Cancellation

Both parties shall have the right to terminate and cancel this contract at any time not to exceed thirty (30) days' written notice served on the Contractor and/or subrecipient by registered or certified mail.

5.00 Funding Out Provision

The state agency may terminate this contract if funds are not appropriated to the contracting agency or are not otherwise available for the purpose of making payments without incurring any obligation for payment after the date of termination, regardless of the terms of the contract. The state agency shall provide the Contractor and/or subrecipient thirty (30) calendar days' written notice of termination of the contract due to lack of available funding.

6.00 Reduction in Contract Worker Hours

The Kentucky General Assembly may allow for a reduction in contract worker hours in conjunction with a budget balancing measure for some professional and non-professional service contracts. If under such authority the agency is required by Executive Order or otherwise to reduce contract hours, the agreement will be reduced by the amount specified in that document. If the contract funding is reduced, then the scope of work related to the contract may also be reduced commensurate with the reduction in funding. This reduction of the scope shall be agreeable to both parties and shall not be considered a breach of contract.

7.00 Authorized to do Business in Kentucky

This section does not apply to governmental or quasi-governmental entities.

The Contractor and/or subrecipient affirms that it is properly authorized under the laws of the Commonwealth of Kentucky to conduct business in this state and will remain in good standing to do business in the Commonwealth of Kentucky for the duration of any contract awarded.

The Contractor and/or subrecipient shall maintain certification of authority to conduct business in the Commonwealth of Kentucky during the term of this contract. Such registration is obtained from the Secretary of State, who will also provide the certification thereof.

Registration with the Secretary of State by a Foreign Entity

Pursuant to KRS 45A.480(1)(b), an agency, department, office, or political subdivision of the Commonwealth of Kentucky shall not award a state contract to a person that is a foreign entity required by KRS 14A.9-010 to obtain a certificate of authority to transact business in the Commonwealth ("certificate") from the Secretary of State under KRS 14A.9-030 unless the person produces the certificate within fourteen (14) days of the bid or proposal opening. Therefore, foreign entities should submit a copy of their certificate with their solicitation response. If the foreign entity is not required to obtain a certificate as provided in KRS 14A.9-010, the foreign entity should identify the applicable exception in its solicitation response. Foreign entity is defined within KRS 14A.1-070.

For all foreign entities required to obtain a certificate of authority to transact business in the Commonwealth, if a copy of the certificate is not received by the contracting agency

10.00 Other expenses, if authorized herein

This section does not apply to governmental or quasi-governmental entities.

The Contractor and/or subrecipient shall be reimbursed for no other expenses of any kind, unless and except as specifically authorized within the specifications of this contract or authorized in advance and in writing by the Commonwealth.

If the reimbursement of such expenses is authorized, the reimbursement shall be only on an out-of-pocket basis. Request for payment of same shall be processed upon receipt from the Contractor and/or subrecipient of valid, itemized statements submitted periodically for payment at the time any fees are due. The Contractor and/or subrecipient shall maintain supporting documents that substantiate every claim for expenses and shall furnish same if requested by the Commonwealth.

11.00 Purchasing and specifications

This section does not apply to governmental or quasi-governmental entities.

The Contractor and/or subrecipient certifies that he/she will not attempt in any manner to influence any specifications to be restrictive in any way or respect nor will he/she attempt in any way to influence any purchasing of services, commodities or equipment by the Commonwealth of Kentucky. For the purpose of this paragraph and the following paragraph that pertains to conflict-of-interest laws and principles, "he/she" is construed to mean "they" if more than one person is involved and if a firm, partnership, corporation, or other organization is involved, then "he/she" is construed to mean any person with an interest therein.

13.00 Campaign finance

This section does not apply to governmental or quasi-governmental entities.

The Contractor and/or subrecipient certifies that neither he/she nor any member of his/her immediate family having an interest of 10% or more in any business entity involved in the performance of this contract, has contributed more than the amount specified in KRS 121.056(2), to the campaign of the gubernatorial candidate elected at the election last preceding the date of this contract. The Contractor and/or subrecipient further swears under the penalty of perjury, as provided by KRS 523.020, that neither he/she nor the company which he/she represents, has knowingly violated any provisions of the campaign finance laws of the Commonwealth, and that the award of a contract to him/her or the company which he/she represents will not violate any provisions of the campaign finance laws of the Commonwealth.

14.00 Access to Records

The state agency certifies that it is in compliance with the provisions of KRS 45A.150, "Access to contractor and/or subrecipient's books, documents, papers, records, or other evidence directly pertinent to the contract." The Contractor and/or subrecipient, as defined in KRS 45A.030, agrees that the contracting agency, the Finance and Administration Cabinet, the Auditor of Public Accounts, and the Legislative Research Commission, or their duly authorized representatives, shall have access to any books, documents, papers, records, or other evidence, which are directly pertinent to this agreement for the purpose of financial audit or program review. THIS CONSULTING AGREEMENT (this “Agreement”) is made and entered into effective as of the ____ day of June 2026, by and between **MWM Consulting, LLC**, a Kentucky limited liability company (“Consultant”), and the **Woodford County, KY, City of Versailles, KY and City of Midway, KY**, a Kentucky non-profit corporation (“the Community”).

WITNESSETH:

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Services to be Provided.

(a) The Community hereby engages Consultant and Consultant hereby accepts such engagement, to provide such consulting services as the Community may reasonably request in connection with the business of the Community identified on Exhibit “A” attached hereto and incorporated herein.

(b) Consultant agrees that during the term of this Agreement, it will perform such duties to the best of its ability and in a diligent manner. Consultant shall be permitted to engage in other business interests of Consultant including, but not limited to contracting with persons and entities that the Community may do business with, so long as such business activity does not interfere with the performance of Consultant’s duties and obligations hereunder.

2. Term. The term of this Agreement shall commence on July 1, 2026, and shall end on June 30, 2028.

(a) Either Consultant or Community may terminate this Agreement prior to June 30, 2027, by providing no less than thirty (30) days’ prior written notice to the other party. Unless either party provides written notice to the other party of its intent not to review prior to June 30, 2028, this Agreement shall automatically renew for an additional twelve (12) month term.

3. Compensation. In exchange for the services provided by Consultant, Consultant shall be paid in accordance with Exhibit “B” attached hereto and incorporated herein.

4. Confidentiality. Consultant acknowledges and agrees that any Confidential Information obtained by Consultant while engaged pursuant to this Agreement concerning the Community is important to the Community and to the effective operation of the Community’s business. The term “Confidential Information” shall include all the Community’s information, documentation, data, materials, trade secrets, business processes, and intellectual property, but shall not include, and the obligations imposed under this Agreement shall not apply to Confidential Information that is: (a) made public by the Community; (b) generally available to the public other than by a breach of this Agreement by Consultant; (c) was known to Consultant prior to receipt from the Community; and/or (d) rightfully received from a third person having the legal right to disclose the Confidential Information free of any obligation of confidence.

Consultant will not use or disclose to any third party the Confidential Information for any purpose other than to perform its obligations and exercise its rights granted under this Agreement. If Consultant is legally requested or required to disclose the Confidential Information to any third

party, Consultant shall promptly notify the Community of such request or requirement prior to disclosure so the Community may seek an appropriate protective order and/or waive compliance with the terms of this Agreement. Consultant agrees to protect the confidentiality of the Confidential Information in the same manner and utilizing the same safeguards that it protects the confidentiality of its own proprietary and confidential information, but in no event using less than reasonable care.

5. Independent Contractor.

(a) The Community and Consultant hereby affirm that Consultant is an independent contractor and not an employee of the Community. Consultant acknowledges and understands that, as an independent contractor, Consultant will not be eligible for any benefits or privileges to which employees of the Community are entitled. Rather, the only benefits or privileges for which Consultant may be eligible are those specifically set forth in this Agreement. Consultant also acknowledges that, as an independent contractor, the compensation that Consultant receives pursuant to this Agreement shall not be considered “wages” for purposes of income tax withholding, the Federal Insurance Contributions Act (“FICA”), and unemployment taxes. Consultant further acknowledges that Consultant is solely responsible for any tax liability arising from payments made under this Agreement, and Consultant agrees to indemnify the Community fully from any and all liability that might be assessed against the Community for Consultant’s failure to withhold or pay taxes on such compensation.

(b) Consultant shall not have any authority to assume or create any obligation, express or implied, on behalf of the Community, and Consultant shall have no authority to represent the Community as an employee or agent or in any other capacity.

(c) With respect to all services rendered under the terms of this Agreement, Consultant agrees that Consultant, (i) shall not be eligible for, nor make any claim or seek participation in any Community employee benefit plan, policy, or practice, including but not limited to any savings, pension, bonus, health, welfare, severance, or vacation plan, policy or practice, even if Consultant, is, or is deemed classified at any time by a finding by any agency, court or other tribunal or by any other means, as, for any purpose, an “employee” or a “common law employee” of the Community or any affiliate thereof, or (ii) to the fullest extent allowed by law, shall not be eligible for, nor make any claim under, any workers compensation plan or unemployment insurance.

6. Cooperation with the Community After Termination. Following termination of this Agreement, Consultant shall cooperate with the Community in all matters relating to the winding up of work on behalf of the Community and the orderly transfer of any pending work to such persons as may be designated by the Community.

7. Surrender of Books and Records. Consultant acknowledges that all files, records, lists, books, literature, and other materials owned by the Community or used by it in connection with the conduct of its business shall at all times remain the property of the Community. Upon termination of this Agreement, regardless of cause, Consultant, or its representative in case of death, will surrender to the Community all such files, records, lists, books, literature and other materials.

8. Limitations on Liability. Consultant's and its owners' and employees' total liability arising out of this Agreement shall be limited to an amount equal to the lesser of (a) the fees paid to Consultant during the course of this Agreement or (b) \$5,000.00. In no event shall either party or its owners or employees be liable to any other party for any indirect, incidental, special, consequential or exemplary damages. Each party shall use commercially reasonable efforts to fulfill its obligations hereunder but shall in no event be responsible for any failure or delay in performance due to any catastrophe, act of God or government authority, civil strife, or any other cause beyond the reasonable control of such party.

9. Out-of-Pocket Expenditures. Out-of-pocket expenditures shall be paid in accordance with Exhibit "B" attached hereto and incorporated herein and will be included in the next monthly invoice.

10. Miscellaneous.

(a) Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the Commonwealth of Kentucky without regards to its choice of law provisions.

(b) Validity. The invalidity or unenforceability of any provisions of the Agreement shall not affect the validity or enforceability of any other provisions of the Agreement and such other provisions shall remain in full force and effect.

(c) Modification and Amendment. This Agreement shall not be modified or amended except by an instrument in writing signed by or on behalf of the parties hereto.

(d) Notices. EXHIBIT “B”

COMPENSATION

1. **Base Consulting Fee.** The Community shall pay Consultant during the term of this Agreement, a total Base Consulting Fee of \$151,800, payable in twenty-four (24) monthly payments of \$6,325 each (the “Base Consulting Fee”) which shall be payable on or before the 10th day of each month in advance at the place for service of notice to Consultant as provided above or at such other place as Consultant may direct.

The Community has agreed to divide the Base Consulting Fee among the three participating jurisdictions based on each locality’s share of the total population. The Base Consulting Fee will be distributed as follows: Woodford County, KY – 35%; City of Versailles, KY – 44%; and City of Midway, Kentucky – 22%.

2. **Performance Fee.** If state or federal grant funds are secured on behalf of the Community by the Consultant during the time of this Agreement, the Community shall pay Consultant a Performance Fee per grant secured. Each Performance Fee shall be based on a sliding scale tied to the total amount of state or federal grant funding the Consultant secures on behalf of the Community. The Performance Fee shall be calculated as follows:
 - a. 3% on the first \$0 - \$3,000,000 in grant funds secured;
 - b. 2% on the next \$3,000,001 - \$6,000,000;
 - c. 1% on any amount exceeding \$6,000,000.

The Performance Fee shall be earned when the grant funding is secured and shall be paid to Consultant as follows:

- d. As to projects that proceed, payments shall be made to Consultant as grant funds are delivered to the Community or as draw requests are submitted and approved, whichever occurs first.
- e. As to projects the Community chooses not to proceed with or the Community otherwise fails to draw down awarded grant funds secured by Consultant within one (1) year, the full Performance Fee based on the awarded amount shall be paid to Consultant upon the earlier of (i) 30 days after the Community chooses not to proceed or (ii) one year after the grant funds were secured.

The Performance Fee will be paid by the locality or localities benefiting from the grant-funded project. If a project benefits a single jurisdiction, that locality will be responsible for the full fee. If a project benefits multiple jurisdictions, the benefiting localities will determine an equitable division of the fee.

3. **Brokerage Fee.** The Community acknowledges that real estate brokerage services related to property acquisition, disposition, or leasing may be provided in connection with economic development projects pursued under this Agreement. These services will be

handled through Block + Lot Real Estate, a licensed Kentucky real estate brokerage with which Consultant is affiliated. While Consultant is not an owner of Block + Lot, the firms collaborate closely on projects involving site selection and development.

The standard brokerage fee for commercial real estate transactions typically totals 6% of the total sale price or base rent and is most often split between the buyer's/tenant's broker and seller's/landlord's broker. In most transactions, this fee is paid by the seller or landlord. However, the exact terms, fee amount, and payment responsibilities will be addressed in a separate agreement specific to each transaction and executed in accordance with all applicable laws and regulations governing broker agreements.

Nothing in this Agreement shall be construed as establishing a fixed brokerage fee or obligating the Community to proceed with any transaction with Block + Lot Real Estate without a separate mutually agreed-upon broker agreement. This section serves to disclose the potential for brokerage services and associated fees as part of the overall economic development consulting relationship.

4. **Reimbursable Expenses.** In-state travel costs and other related costs to perform the job have been factored into the Base Consulting Fee. However, out-of-state travel, if required, including but not limited to airfare, hotel, food, and beverage, etc., will be considered an outside expense and shall be reimbursed with submission of expense documentation. Additionally, costs associated with hosting a potential prospect on behalf of the Community, including food and other related costs to properly host the visit, will be billed to the Community.
5. **Supplemental Services.** In addition to the Base Consulting Fee, Performance Fee and Reimbursable Expenses set forth above, the Community shall pay Consultant for any agreed upon additional supplemental services not outlined in Exhibit B, which payment terms shall be set out in a separate agreement.

LEASE

THIS LEASE AGREEMENT made and entered into pursuant to the Governmental Leasing Act, KRS 65.940 *et seq.*, this the 1st day of July, 2026, by and between the WOODFORD COUNTY FISCAL COURT, with its principal office at the Woodford County Courthouse, Room 200, 103 South Main Street, Versailles, Kentucky 40383, hereinafter referred to as LESSOR, and the WOODFORD YOUTH SOCCER ASSOCIATION, with its principal office at 126 Kuhlman Boulevard, Versailles, Kentucky 40383, hereinafter referred to as LESSEE.

WITNESSETH:

That LESSOR shall, for and in consideration of the rental payment by the LESSEE hereinafter set forth, lease unto LESSEE, for its nonexclusive use, the Community Stadium football/soccer complex located at the Woodford County Park, at 275 Beasley Road, Versailles, Kentucky, as well as necessary and attendant parking spaces in the paved general parking lot in front of the Falling Springs Arts and Recreation Center, hereinafter referred to as "leased premises."

TO HAVE AND TO HOLD the same with all privileges and appurtenances thereto belonging unto said LESSEE, its successors and assigns, during its priority seasonal usage period, described herein below, and beginning on July 1, 2026, and ending on June 30, 2027.

The following terms and conditions shall apply to this Lease:

1) Rental Payment. LESSEE shall pay rent to LESSOR in the nominal amount of one dollar (\$1.00) for this lease year due upon execution of this agreement.

2) Use of Leased Premises. The subject property is being leased to LESSEE to manage its use for both recreational and competitive soccer purposes or reasonably related soccer purposes, with priority and primary use to be accorded to LESSEE for activities from December 1 — June 15 of each year (priority seasonal use time). LESSEE may also utilize the leased property for soccer programs and activities, based however, upon field availability, as such use is not deemed priority use as it is for LESSEE.

3) Utilities and Clean Up. In addition to the rental payment set forth in paragraph 1 above, the LESSEE shall be responsible for payment to LESSOR for the term of the Lease as set out hereinabove in the amount of \$200 per month for the months of December through March, and \$35.00 per night when requiring stadium lights usage in the months of April through June, with payment due on the first day of each month.

The LESSOR shall during the term of this Lease maintain the stadium structure and facilities in a safe and fully functional condition, and in a timely fashion perform basic maintenance and minor repair or patch work, resulting from, or due to, the age or general depreciation of the stadium. The LESSOR is specifically not responsible for maintenance of the scoreboard, concession stands, or light towers, or for bleacher/seating replacement, but shall be responsible for basic light tower bulb replacement, for basic upkeep to the bleachers/seating, for preservation of the existing press box as currently constructed, and for the restrooms. The parties to this Lease agree that any upgrades to the facility, including but not limited to a new or improved press box, new light towers, or new bleachers/seating, are considered "improvements," the cost and payment for which would have to be separately negotiated between the parties, each of whom commit to act in good faith in such regard. As concerns the structure, the LESSOR shall satisfy any code requirements governing LESSOR under Federal, State, and Local laws; provided, however, this last proviso shall not be interpreted by LESSEE to bind LESSOR to comply with any Americans with Disabilities (ADA) standards LESSEE might otherwise be required to adhere to.

Initials – WYSA

LESSEE shall be solely responsible for payment of any preparatory and clean-up costs for and after LESSEE'S events. LESSEE shall also solely be responsible for repair and/or replacement of all soccer related equipment, including but not limited to goals, nets, corner flags and benches.

4) Prohibited Uses. LESSEE shall not allow smoking or use of any tobacco product anywhere within or upon the leased premises, nor any consumption of alcoholic beverages at any time. LESSEE agrees to strictly enforce this policy during its use of the leased premises.

5) Insurance. LESSEE agrees to maintain at all times public liability insurance on the leased property for the purpose of protecting the LESSOR from any claims which may be made as a result of injury to any person or property which may occur on the leased premises, proof of which shall be made available to LESSOR prior to the effective date of this Lease and, subsequently, at any time upon demand. The LESSEE shall, at all times during the term of this Lease, protect and save harmless the LESSOR from any and all claims, demands, and damages for injuries to person or property incurred on the leased premises occupied by LESSEE and growing out of the neglect of LESSEE or any of its employees or agents. Such insurance shall afford minimum protection of not less than ONE MILLION DOLLARS (\$1,000,000.00) for each occurrence of bodily injury or death and of not less than ONE HUNDRED THOUSAND DOLLARS (\$100,000.00) for each occurrence of property damage.

The LESSOR agrees to indemnify and hold harmless the LESSEE, its officers, employees, and agents against claims or demands arising from providing the leased premises under this Lease. The LESSOR agrees to provide comprehensive liability insurance for the entire term of this Lease with a company licensed to do business in the Commonwealth of Kentucky, insuring both the LESSOR and LESSEE, with policy limits of \$1,000,000 combined single limit, including broad form comprehensive general liability, and to deliver to the LESSEE a certificate of insurance reflecting the coverage prior to the effective date of this Lease.

The LESSOR also agrees to maintain adequate property insurance during the term of this Lease that will cover the stadium facilities, including the field turf.

6) Improvements. Although no major renovation or expenditure will be made on the Community Stadium absent approval of the LESSOR, during the term of this Lease, the LESSEE may from time to time change, alter, or otherwise add to the improvements being now or hereinafter located upon the leased premises in any manner in which said LESSEE may from time to time decide, provided always that such changes or alterations shall not lessen the value of the leased premises, or appreciably diminish and decrease the usable space, and provided further that LESSEE will be solely responsible for the cost for same. Further, LESSEE covenants that, upon the termination of this Lease or upon failure of the LESSEE to renew said Lease as set forth in this Lease, or upon failure of LESSEE to pay or perform under the terms and covenants of this Lease, any improvements or additions thereto made by LESSEE during the term of the Lease shall be deemed to be the property of the LESSOR.

7) Assignment. No assignment or transfer of the Lease shall be made by LESSEE without prior written consent from the LESSOR.

8) Right of Enjoyment. The LESSOR hereby covenants and agrees that LESSEE shall have peaceable and quiet possession and enjoyment of said premises. LESSOR shall reserve upon themselves the right to come upon the premises for the purpose of making any reasonable or necessary inspections of said premises, even during LESSEE's term of priority usage.

LESSEE hereby agrees to maintain all facilities which it may hereinafter erect upon the leased premises, pursuant to 6) Improvements, above, as well as to maintain in a neat and orderly fashion all

the grounds located immediately adjacent thereto. LESSEE further hereby covenants and agrees to pay all rents, taxes, assessments, and other charges, if any, and to perform all covenants and agreements of this Lease made by and in favor of the LESSEE. All agreements, covenants, and conditions of this Lease shall inure to and be binding upon the successors and assigns of the LESSOR and the LESSEE, parties hereto.

9) Use of Premises by Other Parties. LESSEE understands, acknowledges and agrees that its use of the Community Stadium complex and facilities is not exclusive, even while it maintains priority standing during the priority seasonal use time. LESSEE shall have exclusive use and control of, and responsibility for, the dedicated concession stands, and LESSEE shall be responsible for complying with any health or food or structural inspection codes, or permit requirements, with regard to the sale of food, drinks, and novelties from within the concession stands.

10) Entire Agreement. This Lease contains the entire agreement of the parties, and no representations, inducements, promises, or agreements, oral or otherwise, not embodied in this Lease, shall be of any force and effect. Amendments to this Lease, such as for renewal, may be mutually agreed upon and reduced to writing.

11) Governing Law. This Lease has been executed and delivered in the Commonwealth of Kentucky, and all the terms and provisions hereof and with the rights and obligations of the parties hereto shall be construed and enforced in accordance with the laws thereof.

12) Preservation of Defense. It is understood and agreed that none of the parties hereto waives by entering into this Lease any right that it may have to use the defense of governmental/sovereign immunity to any claim which may be asserted against any party hereto.

13) Non-Discrimination. The LESSOR and LESSEE agreed to not discriminate against any individual in or relative to the use of the leased premises at any time on the basis of race, color, national origin, sex, religion, genetic information, or disability.

14) Binding Effect. LESSOR and LESSEE agree that all of the provisions hereof shall bind and inure to the benefit of the parties hereto and their respective successors and assigns.
